

## 1. Birla Institute of Technology and Science (BITS), Pilani

### Placement Statistics

BITS Pilani consistently achieves high placement rates, with the highest package for 2024-25 reaching ₹62 LPA and an average package of ₹15.08 LPA for UG students. PG students secured an average package of ₹13.5 LPA, with excellent representation from tech and management fields.

### Top Recruiters

Prominent recruiters include Google, Microsoft, Goldman Sachs, Flipkart, and Tata Consultancy Services. International firms like Schlumberger and Qualcomm also hire BITS graduates regularly.

### Internship Opportunities

BITS Pilani offers structured internships, often resulting in pre-placement offers (PPOs). Companies like Uber, Amazon, and Deloitte provide internships across various domains, enhancing practical learning.

### Career Support Services

The institute's Placement Division organizes career fairs, workshops, and networking events. Personalized mentorship and resume-building sessions enhance student employability.

### Alumni Success Stories

BITS alumni have founded successful startups like Zomato and Swiggy and hold leadership positions in Fortune 500 companies. Alumni actively engage in mentoring current students.

### Industry Connections

Strong collaborations with industry leaders facilitate projects, internships, and research opportunities. Industry-sponsored labs and events ensure that students remain industry-ready.

---

## 2. Indian Institute of Technology (IIT), Jodhpur

### Placement Statistics

IIT Jodhpur's highest package for 2024-25 was ₹85 LPA, with an average package of ₹20.5 LPA for UG students. The PG programs saw an average of ₹18.5 LPA. Core engineering and data analytics sectors dominated placements.

### Top Recruiters

Key recruiters include Google, Infosys, Wipro, Samsung R&D, and McKinsey. Startups and international firms like Bloomberg also hire from the campus.

### Internship Opportunities

Internship programs connect students with organizations like IBM, PwC, and Adobe. Many internships transition into PPOs, ensuring a smooth career pathway.

### Career Support Services

The Career Development Cell provides mock interviews, industry talks, and skills

development workshops. Comprehensive support is offered for both internships and full-time roles.

#### **Alumni Success Stories**

Graduates from IIT Jodhpur excel in global organizations and academia, contributing significantly to AI, robotics, and renewable energy sectors.

#### **Industry Connections**

The institute partners with top companies for joint research and industry projects. Regular seminars by industry experts keep students updated on trends.

---

### **3. University of Rajasthan, Jaipur**

#### **Placement Statistics**

The highest package for 2024-25 was ₹18 LPA, with an average package of ₹6 LPA for UG and ₹7.5 LPA for PG students. Major placements were in commerce, IT, and humanities disciplines.

#### **Top Recruiters**

Recruiters include Infosys, HCL, Deloitte, and regional firms. Public sector organizations also hire regularly through campus drives.

#### **Internship Opportunities**

The university partners with local and national organizations for internships. Companies like ICICI, Mahindra, and Times Group provide meaningful internship opportunities.

#### **Career Support Services**

The Career Counseling Cell organizes placement drives, skill development sessions, and career guidance workshops.

#### **Alumni Success Stories**

Notable alumni include government officials, entrepreneurs, and scholars contributing significantly to various fields.

#### **Industry Connections**

Collaborations with local industries and national firms help bridge academia and professional requirements, ensuring better placement outcomes.

---

### **4. Malaviya National Institute of Technology (MNIT), Jaipur**

(Details already provided in the PDF. Repeating would be redundant.)

---

## 5. The LNM Institute of Information Technology (LNMIIT), Jaipur

### Placement Statistics

LNMIIT recorded a highest package of ₹54 LPA in 2024-25, with an average package of ₹11.5 LPA. The CSE and ECE departments achieved the highest placement rates.

### Top Recruiters

Google, Amazon, Microsoft, and Adobe were among the top recruiters. Indian firms like Infosys, Wipro, and Tata Steel also participated in placements.

### Internship Opportunities

Students secure internships at top firms like Qualcomm, Flipkart, and Siemens. Most third-year students are offered PPOs based on their internship performance.

### Career Support Services

The Training and Placement Cell provides one-on-one counseling, interview prep, and networking events with recruiters.

### Alumni Success Stories

Alumni have excelled in software engineering roles globally and are key contributors to organizations like Meta, Oracle, and NASA.

### Industry Connections

LNMIIT has strong ties with industry leaders, facilitating collaborative projects and regular guest lectures.

Here is the continuation for the next set of colleges:

---

## 6. Banasthali Vidyapith, Tonk
